Daddy,

Take my hand and show me how  
to walk in the footsteps of Jesus.

Teach me how to love and serve  
others just like Him.

Help me to understand who I am to Him.

When I stumble and fall, reach down  
and place my feet next to yours again.

Encourage me to keep going beside you.

I am thankful that God picked you  
to be mine and created me to be yours.

And, Daddy, no matter how big  
my hands grow, they will never  
outgrow holding yours.

I love you. Happy Father's Day.
